Woodcroft Wildspace is an educational Wildspace for the benefit of the whole of Enfield, run entirely by volunteers and funded by donations. Please come and help on or off site - it isn't all about heavy spade work, there are much lighter things to be done for which your help, as little as half an hour a week, would help enormously - and is fun !

Your donation, in the form of this membership, helps to pay for the ongoing annual running costs such as insurance, statutory annual costs, preparatory funding of events, printing of various newsletters and papers, such as this form and other incidentals necessary to run the project each year. Large facilities, such as the Apiary, have been funded by separate fund raising projects making applications to organisations such as The Big Lottery.

We would be delighted for you to show your support by joining, or rejoining, as a Friend of Woodcroft. Membership will be valid until 31 December each year. Thank-you.
